

## MY TOP 5 AGILE PRINCIPLES ACTIVITY

**Step 1:** In your opinion, what are the top 5 Agile Principles (order doesn't matter)

- |                                     | My Top 5 Agile Principles are  |
|-------------------------------------|--|
| • <b>Welcome Change</b>             |  |
| Why?                                | 1. Welcome change (nothing is static),<br>2. Work together daily (Do not wait for a week, or a month to communicate an issue, a change, or a roadblock),<br>3. Build projects around motivated individuals (Progress comes from excited people), |
| • <b>Working Software is Key</b>    |  |
| Why?                                | 4. Attention to technical excellence (Without quality we do not have anything), and<br>5. Simplicity (Avoid wasting time, life is short).  |
| • <b>Face-to-Face Conversations</b> |  |
| Why?                                |  |
| • <b>Simplicity</b>                 |  |
| Why?                                |  |
| • <b>Reflect and Adjust</b>         |  |
| Why?                                |  |
